The Mission of Erin Mills South Residents Association

Our mission is to enhance the quality of life in our neighborhood, create a more connected, vibrant, and engaged community for all residents.

Join us in Building a Stronger Community

We believe that the strength of our community lies in the active participation of its residents. Your involvement is vital in shaping the future of our neighborhood and making it a better place to live for everyone.

As a member, you'll have the opportunity to voice your ideas, actively participate in shaping our community and engage with your fellow residents. Together, we can create a strong, united, and supportive community that we can all be proud to call home.
